## 1. Purpose and scope

This policy aims to:

- Set guidelines and rules on the use of IWYS social media channels
- Establish clear expectations for the way members of the IWYS community engage with each other online
- Support the IWYS policies on data protection, online safety and safeguarding

Staff, students and parents/carers are required to read, understand and comply with this social media policy.

This policy applies to the use of social media for both business and personal purposes, whether during school/working hours or otherwise.

It applies regardless of whether the social media is accessed using:

- IWYS IT facilities and equipment
- Equipment belonging to members of staff and pupils
- Any other IT/Internet-enabled equipment

All members of the IWYS should bear in mind that information they share through social networking applications, even if they are on private spaces, may be subject to copyright, safeguarding and data protection legislation. Everyone must also operate in line with the IWYS equalities, harassment, child protection, safer recruitment, and online safety and ICT acceptable use policies.

### 1.1 Definition of social media

For the purposes of this document, 'social media' is considered to include all technologies that allow individuals to communicate and share information (including photos and video). This includes group messaging services such as WhatsApp.

## 2. Use of official IWYS social media

The IWYS official social media channels are as follows:

- Facebook, X, SoundCloud

These accounts are currently managed by the Proprietor. Staff members who have not been authorised by the Proprietor to manage, or post to, the account, must not access, or attempt to access, these accounts.

If you have suggestions for something you'd like to appear on our IWYS social media channel(s), please speak to the Proprietor or the Compliance Officer

## 2.1 Facebook

IWYS will post on Facebook:

- › Alerts about changes (e.g. changes to procedures, severe weather updates, staffing changes)
- › Reminders (e.g. approaching deadlines, events or class activities, reminders about policies/procedures)
- › Advertisements for IWYS events or activities
- › Job vacancies or requests for volunteers
- › Links to newsletters, guidance and factsheets for parents and carers
- › Achievements of pupils and staff
- › Photos or posts about IWYS trips, events and activities
- › Seasonal greetings and messages about religious festivals
- › Invitations to provide feedback

The IWYS **will not** post on Facebook:

- › Names and photos of individuals (unless they have given consent)
- › Harmful or abusive comments
- › Messages to specific people
- › Political statements
- › Advertisements for businesses unless directly related to the IWYS
- › Links to staff members' personal accounts

## 2.2 X (formerly Twitter)

The IWYS posts on X:

- › Alerts about changes (e.g. changes to procedures, severe weather updates, staffing changes)

- › Advertisements for IWYS events or activities
- › Job vacancies or requests for volunteers
- › Links to newsletters, guidance and factsheets for parents and carers
- › Achievements of pupils and staff
- › Photos or posts about IWYS trips, events and activities
- › Seasonal greetings and messages about religious festivals
- › Invitations to provide feedback

The IWYS **will not** post on X:

- › Names and photos of individuals (unless they have given consent)
- › Harmful or abusive comments
- › Messages to specific people
- › Political statements
- › Advertisements for businesses unless directly related to IWYS
- › Links to staff members' personal accounts

## 2.3 Moderation

Staff responsible for our social media accounts will delete as soon as reasonably possible:

- › Abusive, racist, sexist, homophobic or inflammatory comments
- › Comments we consider to be spam
- › Personal information, such as telephone numbers, address details, etc.
- › Posts that advertise commercial activity or ask for donations

Every reasonable effort will be taken to politely address concerns or behaviour of individual users, following the IWYS complaints policy. If users are repeatedly abusive or inappropriate, they will be blocked.

Staff responsible for our social media accounts will also ensure that all content shared on social media platforms is age appropriate for the IWYS community.

## 2.4 Following other social media users

**IWYS:**

- › Will only 'like' Facebook pages with a non-commercial interest – being 'liked' by us doesn't imply endorsement of any kind
- › May follow other users if you follow us on X (formerly Twitter) – being followed by us doesn't imply endorsement of any kind

## 3. Personal use of social media by staff

**Please note:** while we recommend members of staff make their private social media profiles unidentifiable to pupils, we understand many staff will use sites such as X (formerly Twitter) or LinkedIn for professional purposes.

IWYS expects all staff (including volunteers) to consider the safety of pupils and the risks (reputational and financial) to IWYS when using social media channels, including when doing so in a personal capacity. Staff are also responsible for checking and maintaining appropriate privacy and security settings of their personal social media accounts.

Staff members will report any safeguarding issues they become aware of.

When using social media, staff **must not**:

- › Use personal accounts to conduct IWYS business
- › Accept 'friend requests' from, or communicate with, pupils past or present
- › Complain about the school, individual pupils, colleagues or parents/carers
- › Reference or share information about individual pupils, colleagues or parents/carers
- › Post images of pupils
- › Express personal views or opinions that could be interpreted as those of the school
- › Link their social media profile to their work email account
- › Use personal social media during timetabled teaching time except in a professional capacity

Any concerns regarding a member of staff's personal use of social media will be dealt with in line with the staff behaviour policy.

Any communication received from current pupils (unless they are family members) on any personal social media accounts will be reported to the designated safeguarding lead (DSL) or member of the senior leadership team immediately.

Staff should not also have contact via personal accounts with past pupils (if ongoing communication is required, this should be using via official IWYS channels).

## 4. Personal use of social media by pupils

IWYS encourages pupils to

- › Be respectful to members of staff, and IWYS at all times
- › Be respectful to other pupils and parents/carers
- › Direct any complaints or concerns through the IWYS official channels, so they can be dealt with in line with the IWYS complaints procedure

Pupils **should not** use social media to:

- › Complain about individual members of staff
- › Complain about the IWYS
- › Make inappropriate comments about members of staff, other pupils or parents/carers
- › Post images of other pupils without their permission

Any concerns about a pupil's social media use will be dealt with in line with the IWYS behaviour policy.

## 5. Personal use of social media by parents/carers

IWYS expects parents/carers to help us model safe, responsible and appropriate social media use for our pupils.

When communicating with the IWYS via official communication channels, or using private/independent channels to talk about the school, parents and carers should:

- › Be respectful towards, and about, members of staff and IWYS at all times
- › Be respectful of, and about, other parents/carers and other pupils and children
- › Direct any complaints or concerns through the IWYS official channels, so they can be dealt with in line with the IWYS complaints procedure

Parents/carers **should not** use social media to:

- › Complain about individual members of staff, other parents/carers or pupils
- › Complain about IWYS and other schools and provisions.
- › Make inappropriate comments about members of staff, other parents/carers or pupils
- › Draw attention to, or discuss, behaviour incidents
- › Post images of children other than their own

### 5.1 WhatsApp groups

We currently do not have a WhatsApp group.

If we do decide to use this channel, we expect parents/carers to follow the above social media guidelines when using class WhatsApp groups.

## 6. Training and awareness

Staff and expected complete 'Online Safety and Harms' training and awareness sessions for staff (including those with access to post on official social media accounts), pupils, and parents/carers on social media practices. This is part of staff induction, and then being revisited and communicated via regular staff training opportunities.

## 7. Monitoring and review

We reserve the right to monitor, intercept and review, without further notice, staff activities using our IT resources and communications systems, including but not limited to social media postings and activities, for legitimate business purposes. This includes ascertaining and demonstrating that expected standards are being met by those using the systems, and for the detection and investigation of unauthorised use of the systems (including where this is necessary to prevent or detect crime).

The Proprietor will monitor the implementation of this policy, including making sure that it is updated to reflect the needs and circumstances of the IWYS. This policy will be reviewed annually or in line with government guidelines.
